

All,
Jim Owen and I worked on our Float yesterday. We made some modifications and added a tarp to hopefully help protect it. I've also reserved and added the American legion at 5000 SE 24th St. Del City, Ok for September 5 and November 7 meetings. I know that the September 5 meeting is during Labor Day weekend, but was the only date available. I will have an agenda out soon.
Chuck Hladik
